

TRANSPORT ROLLER CROWBAR

DESCRIPTION

Our Roller Crowbar makes lifting and moving heavy materials easy. Made from strong steel tubing, this level bar has running steel rollers for added power and efficiency. Plus, its compact design means you don't have to worry about carrying around a bulky tool – just grab it and go! The Roller Crowbar is the perfect solution for anyone who needs assistance to lift, pull or push materials quickly and easily. So make lifting easier, faster and safer.

Features

- Roller burke bar
- A level bar of strong steel tubing, with running steel rollers
- Compact, easy to use design
- High efficiency
- Makes movement of heavy materials safer
