

LONG LINK PROOF COIL CHAIN

Each Long Link Proof Coil Chain features more generous link dimensions, so you get more metres in every 100kg – making it ideal for buyers who are looking for reliability and value for money. Plus, it's available in a range of sizes from 3 to 10mm with a finished look of either galvanised or self-colour.

Features

- Longest link formation in the proof coil range
- Features more generous link dimensions, to provide more metres per 100kg
- Sizes 3 - 10mm available
- Ideally suited to agricultural and barrier applications
- Available in galvanised and self-colour finish
- Sold per metre or in pail packs
- Test certificates available upon request
